

Are your **share plans** realising their potential?

Why not have a share plan 'health check' free of charge?

We would like to offer you the opportunity for a free health check on your existing share plans. Carried out by a team of the most experienced share plan managers in the market, the health check will be run in relation to best business practice, ensuring cost effectiveness and meeting any other business objectives you may have.

Possible benefits and cost savings

- Review long-term goals of the share plans
- Maximising employee engagement
- Provide a strategy via email communication
- Ensure your share plan choices are tax efficient
- Review your plans alongside market trends
- Work in partnership with an experienced team at Capita

For more information about this free service, please contact your Relationship Manager or Gill Evans, Senior Business Development Manager, on +44 (0) 7764 315 842 or gevans@capitaregistrars.com
