CAPITA ANNOUNCES EXCLUSIVE UK PARTNERSHIP WITH ICSA SOFTWARE TO PROMOTE 'BLUEPRINT BOARDPAD 2' THE ELECTRONIC BOARD PAPERS 'APP' FOR DIRECTORS

Capita Registrars is to go into an exclusive UK partnership with ICSA Software, the software company of The Institute of Chartered Secretaries and Administrators, to promote Blueprint BoardPad 2, one of the leading electronic board solutions currently available. Originally created for the Apple iPad its 'app' design gives directors all their board papers at their fingertips, complete with full annotation functionality and completely secure access.

Speaking of the partnership Graham Renn, Client Services Director at Capita Registrars commented, "we are fast approaching the time when all board papers will be managed electronically and we are delighted to be going into partnership with ICSA Software, an organisation that knows this market better than anyone else - and in BoardPad 2 they have a product that is transforming the way senior executives work."

Mike Evans, Group CEO, ICSA Software said, "we are very excited to be working with Capita Registrars as their extensive experience of corporate governance and work with senior executives, means that they are ideally placed to demonstrate the enormous benefits that BoardPad 2 offers to the operation of boards and committees."

Graham Renn goes on to comment, "Capita Registrars has always prided itself on introducing new and innovative products to the marketplace, and this exclusive partnership with ICSA Software is just another example of that commitment."

Notes to Editors

Capita Registrars is the UK's largest provider of share registration and value-added services to more than 1,500 companies in the UK, Ireland, Channel Islands and Isle of Man. Capita is responsible for share registration, corporate actions, share plans, and company secretarial support across a base of clients that range from small or recently floated to large multinationals. In 2010 we were appointed to more FTSE companies and have managed more IPOs than any other registrar. Capita is the only registrar that is part of a FTSE 100 organisation, a fact that delivers our clients increased assurance.

The Capita Group Plc is the UK's leading provider of BPO and integrated professional support service solutions. With around 45,000 people at more than 350 sites, including 64 business centres across the UK, Ireland, the Channel Islands and India, the Group uses its expertise, infrastructure and scale benefits to transform its clients' services, driving down costs and adding value. Capita is quoted on the London Stock Exchange (CPI.L), and is a constituent of the FTSE100 with revenues for 2010 of £2,744 million. Further information on The Capita Group Plc can be found at: <http://www.capita.co.uk>

ICSA Software ICSA Software International is the software company of the Institute of Chartered Secretaries and Administrators (The ICSA). Renowned as the world-leading supplier of global entity management, corporate governance and compliance software, ICSA Software has become the supplier of choice for company secretarial departments.

Our clients are experiencing daily the benefits of innovative products and services such as Blueprint OneWorld and Blueprint BoardPad 2. Blueprint OneWorld is a web-based corporate compliance and entity management application, whilst Blueprint BoardPad 2 for the Apple iPad offers a superior electronic alternative of working with board and committee packs.
